SURVEILLANCE TRAILER

LEVERAGE POWERFUL OPTICS AND INDUSTRY-LEADING TRAILER SYSTEMS FOR 24/7 SECURITY

KEY FEATURES

POWERFUL OPTICS
High-resolution cameras with wide area coverage

REMOTE ACCESS
View video remotely in real-time from any location

VIDEO STORAGE
Cloud-based video management and storage options

RAPID SETUP
Compact, easy to tow, and built for single person setup

Vetted's Surveillance Trailers offer effective monitoring and precise incident capture through high-resolution PTZ cameras powered by solar-based charging for nearly autonomous year-round operation.

With a range of innovative options available, these trailers are the ideal mobile surveillance system to deter crime and ensure safety and security for any location.
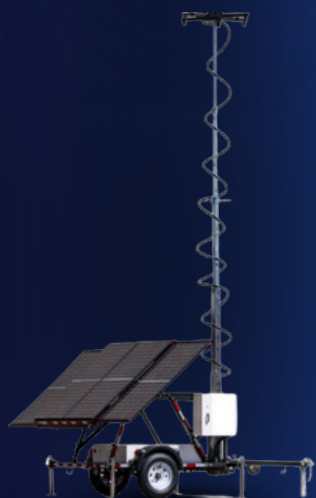

MONITOR
CAPTURE - ANALYZE - SOLVE

VSS-SURV-TRL-730W — MINI SURVEILLANCE TRAILER

Camera Support	Supports up to 2 cameras (Cameras not included)
Solar	730W solar array
Battery	4 x 12V 200Ah AGM batteries in a 24VDC system, 400Ah total
Mast System	20ft hand-operated winch mast system
Connectivity	4G Sierra Wireless Router / Modem (SIM card not included)
Enclosure	Secure equipment boxes
System Health Monitoring	Compatible with TechAlert monitoring software (sold separately)
Video Management	Contact the Vetted sales team for cloud based video management solutions
Included Materials	(2) 1.5" NPT connections (Camera mounting adapters are not included)

VSS-SURV-TRL-800W — STANDARD SURVEILLANCE TRAILER

Camera Support	Supports up to 4 cameras (Cameras not included)
Solar	800W solar array
Battery	4 x 12V 200Ah AGM batteries in a 24VDC system, 400Ah total
Mast System	24ft hand-operated winch mast system
Connectivity	4G Sierra Wireless Router / Modem (SIM card not included)
Enclosure	Larger NEMA Rated, 24"W x 32"H x 12" D with filtered cooling fan
System Health Monitoring	Compatible with TechAlert monitoring software (sold separately)
Video Management	Contact the Vetted sales team for cloud based video management solutions
Included Materials	(4) 1.5" NPT connections (Camera mounting adapters are not included)

VSS-SURV-TRL-1600W — XL SURVEILLANCE TRAILER

Camera Support	Supports up to 4 cameras (Cameras not included)
Solar	1600W solar array
Battery	8x 12VD 200Ah AGM Batteries in a 24VDC System, 800Ah Total
Mast System	24ft hand-operated winch mast system
Connectivity	4G Sierra Wireless Router / Modem (SIM card not included)
Enclosure	Larger NEMA Rated, 24"W x 32"H x 12" D with filtered cooling fan
System Health Monitoring	Compatible with TechAlert monitoring software (sold separately)
Video Management	Contact the Vetted sales team for cloud based video management solutions
Included Materials	(4) 1.5" NPT connections (Camera mounting adapters are not included)
