

# VETTED SURVEILLANCE TRAILERS

LEVERAGE POWERFUL OPTICS AND  
INDUSTRY-LEADING TRAILER SYSTEMS  
FOR 24/7 SECURITY

## POWERFUL OPTICS

High-resolution cameras with wide area coverage

## REMOTE ACCESS

View video remotely in real-time from any location

## VIDEO STORAGE

Cloud-based video management and storage options

## RAPID SETUP

Compact, easy to tow, and built for single person setup

Vetted's Surveillance Trailers provide powerful mobile surveillance with high-definition PTZ imaging, intelligent analytics, and solar-supported charging for continuous, low-maintenance operation. Built for dependable performance in both short-term deployments and long-term fixed sites, they deliver clear, actionable visibility even in challenging conditions.

Engineered with a wide range of configurable options, these units offer a highly adaptable surveillance platform designed to deter crime, capture critical incidents with exceptional clarity, and enhance safety, security, and overall situational awareness in any environment.

**MONITOR**  
CAPTURE - ANALYZE - SOLVE

## VETTED SURVEILLANCE TRAILERS

- ✓ Rugged design
- ✓ Advanced optics
- ✓ Video & data intelligence
- ✓ System health monitoring

Contact Vetted today to explore how our Surveillance Trailers can help your agency drive investigative success through analytics.

## VETTED MINI SURVEILLANCE TRAILER

The Vetted Mini Surveillance Trailer is a compact, portable solution for high-performance surveillance in tight or challenging environments. Rapidly deployable, it supports up to 4 cameras with solar-augmented power options for reliable short- or long-term operation. Ideal for construction sites, events, and general security use.

**Vetted Mini Surveillance Trailer**

VH-SURV-MINI-800W

### **Solar and Battery**

800W Solar array, 6.6 kWh Lithium batteries in a single battery box

### **Camera Support**

Mount supports up to (4) cameras (sold separately)

(4) 1.5" NPT camera adapters

### **Mast System**

20' hand-operated winch mast system

### **Connectivity**

5G modem with external cell antenna

### **System Health Monitoring**

Integrated TechAlert appliance, compatible with monitoring software. Includes one-year state/local license; federal requires subscription

## VETTED STANDARD SURVEILLANCE TRAILER

Versatile mobile trailer combining license plate recognition (LPR) and a programmable message display for traffic enforcement, public messaging, and situational awareness, ideal for special events and limited-time deployments.

**Vetted Standard Surveillance Trailer**

VH-SURV-STD-800W

### **Solar and Battery**

800W Solar array, 6.6 kWh Lithium batteries in a single battery box

### **Camera Support**

Mount supports up to (4) cameras (sold separately)

(4) 1.5" NPT camera adapters

### **Mast System**

30' electric powered winch mast system

### **Connectivity**

5G modem with external cell antenna

### **Enclosure**

Larger NEMA enclosure (24"W x 32"H x 12"D) with filtered cooling fan

### **System Health Monitoring**

Integrated TechAlert appliance, compatible with monitoring software. Includes one-year state/local license; federal requires subscription

## VETTED LONG RUN SURVEILLANCE TRAILER

The Vetted Long Run Surveillance Trailer is engineered for high-demand deployments, featuring a powerful solar array and high-efficiency storage for continuous uptime in solar-rich environments. This system is built for sustained operation of multiple sensors and communications gear with no external power needed. Ideal for autonomous, long-term surveillance.

**Vetted Long Run Surveillance Trailer**

VH-SURV-LR-1600W

### **Solar and Battery**

1600W Solar array, 6.6 kWh Lithium batteries in a single battery box

### **Camera Support**

Mount supports up to (4) cameras (sold separately)

(4) 1.5" NPT camera adapters

### **Mast System**

30' electric powered telescoping mast system

### **Connectivity**

5G modem with external cell antenna

### **Enclosure**

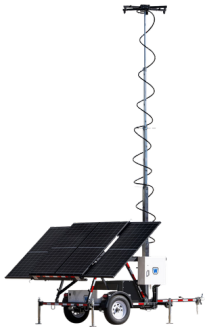

Larger NEMA enclosure (24"W x 32"H x 12"D) with filtered cooling fan

### **System Health Monitoring**

Integrated TechAlert appliance, compatible with monitoring software. Includes one-year state/local license; federal requires subscription

## VETTED HYBRID SURVEILLANCE TRAILER

The Vetted Hybrid Surveillance Trailer is built for energy-intensive operations, featuring a dual power system, diesel generator, 1600W solar array, and high-capacity battery storage. The system provides uninterrupted, autonomous power for extended deployments across the U.S. where redundancy and system reliability are key.

**Vetted Hybrid Surveillance Trailer**

VH-SURV-HYB-1600W

### Solar and Battery

1600W Solar array, 8.9 kWh Lithium batteries in a single battery box

### Power

Hybrid Diesel Generator System

### Camera Support

Mount supports up to (4) cameras (sold separately)

(4) 1.5" NPT camera adapters

### Mast System

30' electric powered telescoping mast system

### Connectivity

5G modem with external cell antenna

### Enclosure

NEMA enclosure (24" W x 25"H x 10" D)

Extra empty larger NEMA enclosure (24"W x 32"H x 12"D) with filtered cooling fan

### System Health Monitoring

Integrated TechAlert appliance, compatible with monitoring software. Includes one-year state/local license; federal requires subscription

## SURVEILLANCE TRAILER UPGRADES

<b>Flashing Beacon</b> WCTS-BLUE-LGT	Blue LED flashing presence beacon (on/off switch)
<b>AXIS C1310-E Mk II Network Horn Speaker</b> 02813-001	Outdoor speaker for clear long-range speech
<b>Axis Surveillance Card 128GB</b> 01491-001	Axis Surveillance Card 128GB - High Endurance micro SDXC card
<b>Axis Surveillance Card 256GB</b> 02021-001	Axis Surveillance Card 256GB - High Endurance micro SDXC card
<b>Axis Surveillance Card 512 GB</b> 02365-001	AXIS Surveillance Card 512 GB - High endurance micro SDXC card
<b>Axis Surveillance Card 1TB</b> 02366-001	Axis Surveillance Card 1TB - High Endurance micro SDXC card
<b>Video Management</b>	Cloud-based video management and storage options

# SURVEILLANCE CAMERAS AND MOUNTS

## AXIS CAMERAS

<b>Axis Q6225-LE PTZ Network Camera (no midspan)</b> 02317-301	2 MP (1920x1080), 31x optical zoom <ul style="list-style-type: none"> <li>• Forensic WDR - reduces visible noise and artifacts</li> <li>• Lightfinder - minimizes motion blur, even in near darkness</li> </ul> Not Included: Pendant Kit T94A01D - Part # 5502-431, mount
 <b>Axis Q6135-LE PTZ Network Camera</b> 01959-004	2 MP (1920x1080), 32x optical zoom <ul style="list-style-type: none"> <li>• Optimized IR illumination</li> <li>• Forensic WDR - reduces visible noise and artifacts</li> <li>• Lightfinder 2.0 - minimizes motion blur, even in near darkness</li> </ul> Not Included: Pendant Kit T94A01D - Part # 5502-431, mount
 <b>Axis Q6355-LE PTZ Network Camera (no midspan)</b> 02976-301	8 MP (1920x1080), 31x optical zoom <ul style="list-style-type: none"> <li>• Optimized IR illumination</li> <li>• Forensic WDR - reduces visible noise and artifacts</li> <li>• Lightfinder 2.0 - minimizes motion blur, even in near darkness</li> </ul> Not Included: Pendant Kit T94A01D - Part # 5502-431, mount
 <b>Axis Q6358-LE PTZ Network Camera (no midspan)</b> 02977-301	8 MP (4K UHD), 31x optical zoom <ul style="list-style-type: none"> <li>• Optimized IR illumination</li> <li>• Forensic WDR - reduces visible noise and artifacts</li> <li>• Lightfinder 2.0 - minimizes motion blur, even in near darkness</li> </ul> Not Included: Pendant Kit T94A01D - Part # 5502-431, mount

## AXIS CAMERA MOUNTS

<b>AXIS T91B57 Pole Mount 100-410 mm</b> 01470-001	Versatile and robust, high-quality adjustable pole mount for secure installation on poles ranging from 100–410 mm diameter
<b>Axis T94A01D Pendant Kit</b> 5502-431	Pendant kit for mounting on 1.5" NPS threaded brackets, ideal for suspended installations
