

VETTED SURVEILLANCE TRAILERS

LEVERAGE POWERFUL OPTICS AND
INDUSTRY-LEADING TRAILER SYSTEMS
FOR 24/7 SECURITY

POWERFUL OPTICS

High-resolution cameras with wide area coverage

REMOTE ACCESS

View video remotely in real-time from any location

VIDEO STORAGE

Cloud-based video management and storage options

RAPID SETUP

Compact, easy to tow, and built for single person setup

Vetted's Surveillance Trailers provide powerful mobile surveillance with high-definition PTZ imaging, intelligent analytics, and solar-supported charging for continuous, low-maintenance operation. Built for dependable performance in both short-term deployments and long-term fixed sites, they deliver clear, actionable visibility even in challenging conditions.

Engineered with a wide range of configurable options, these units offer a highly adaptable surveillance platform designed to deter crime, capture critical incidents with exceptional clarity, and enhance safety, security, and overall situational awareness in any environment.

MONITOR
CAPTURE - ANALYZE - SOLVE

VETTED SURVEILLANCE TRAILERS

- ✓ Rugged design
- ✓ Advanced optics
- ✓ Video & data intelligence
- ✓ System health monitoring

Contact Vetted today to explore how our Surveillance Trailers can help your agency drive investigative success through analytics.

VETTED MINI SURVEILLANCE TRAILER

The Vetted Mini Surveillance Trailer is a compact, portable solution for high-performance surveillance in tight or challenging environments. Rapidly deployable, it supports up to 4 cameras with solar-augmented power options for reliable short- or long-term operation. Ideal for construction sites, events, and general security use.

Vetted Mini Surveillance Trailer

VH-SURV-MINI-800W

Solar and Battery

800W Solar array, 6.6 kWh Lithium batteries in a single battery box

Camera Support

Mount supports up to (4) cameras (sold separately)

(4) 1.5" NPT camera adapters

Mast System

20' hand-operated winch mast system

Connectivity

5G modem with external cell antenna

System Health Monitoring

Integrated TechAlert appliance, compatible with monitoring software. Includes one-year state/local license; federal requires subscription

VETTED STANDARD SURVEILLANCE TRAILER

Versatile mobile trailer combining license plate recognition (LPR) and a programmable message display for traffic enforcement, public messaging, and situational awareness, ideal for special events and limited-time deployments.

Vetted Standard Surveillance Trailer

VH-SURV-STD-800W

Solar and Battery

800W Tilting solar array with dual electric actuators, 6.6 kWh Lithium batteries in a single battery box

Camera Support

Mount supports up to (4) cameras (sold separately)

(4) 1.5" NPT camera adapters

Mast System

30' electric powered winch mast system

Connectivity

5G modem with external cell antenna

Enclosure

Larger NEMA enclosure (24"W x 32"H x 12"D) with filtered cooling fan

System Health Monitoring

Integrated TechAlert appliance, compatible with monitoring software. Includes one-year state/local license; federal requires subscription

VETTED LONG RUN SURVEILLANCE TRAILER

The Vetted Long Run Surveillance Trailer is engineered for high-demand deployments, featuring a powerful solar array and high-efficiency storage for continuous uptime in solar-rich environments. This system is built for sustained operation of multiple sensors and communications gear with no external power needed. Ideal for autonomous, long-term surveillance.

Vetted Long Run Surveillance Trailer

VH-SURV-LR-1600W

Solar and Battery

1600W Tilting solar array with dual electric actuators, 6.6 kWh Lithium batteries in a single battery box

Camera Support

Mount supports up to (4) cameras (sold separately)

(4) 1.5" NPT camera adapters

Mast System

30' electric powered telescoping mast system

Connectivity

5G modem with external cell antenna

Enclosure

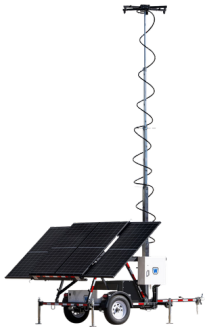

Larger NEMA enclosure (24"W x 32"H x 12"D) with filtered cooling fan

System Health Monitoring

Integrated TechAlert appliance, compatible with monitoring software. Includes one-year state/local license; federal requires subscription

VETTED HYBRID SURVEILLANCE TRAILER

The Vetted Hybrid Surveillance Trailer is built for energy-intensive operations, featuring a dual power system, diesel generator, 1600W solar array, and high-capacity battery storage. The system provides uninterrupted, autonomous power for extended deployments across the U.S. where redundancy and system reliability are key.

Vetted Hybrid Surveillance Trailer

VH-SURV-HYB-1600W

Solar and Battery

1600W Tilting solar array with dual electric actuators, 8.9 kWh Lithium batteries in a single battery box

Power

Hybrid Diesel Generator System

Camera Support

Mount supports up to (4) cameras (sold separately)

(4) 1.5" NPT camera adapters

Mast System

30' electric powered telescoping mast system

Connectivity

5G modem with external cell antenna

Enclosure

NEMA enclosure (24" W x 25"H x 10" D)

Extra empty larger NEMA enclosure (24"W x 32"H x 12"D) with filtered cooling fan

System Health Monitoring

Integrated TechAlert appliance, compatible with monitoring software. Includes one-year state/local license; federal requires subscription

SURVEILLANCE TRAILER UPGRADES

Flashing Beacon WCTS-BLUE-LGT	Blue LED flashing presence beacon (on/off switch)
AXIS C1310-E Mk II Network Horn Speaker 02813-001	Outdoor speaker for clear long-range speech
Axis Surveillance Card 128GB 01491-001	Axis Surveillance Card 128GB - High Endurance micro SDXC card
Axis Surveillance Card 256GB 02021-001	Axis Surveillance Card 256GB - High Endurance micro SDXC card
Axis Surveillance Card 512 GB 02365-001	AXIS Surveillance Card 512 GB - High endurance micro SDXC card
Axis Surveillance Card 1TB 02366-001	Axis Surveillance Card 1TB - High Endurance micro SDXC card
Video Management	Cloud-based video management and storage options

SURVEILLANCE CAMERAS AND MOUNTS

AXIS CAMERAS

Axis Q6225-LE PTZ Network Camera (no midspan) 02317-301	2 MP (1920x1080), 31x optical zoom <ul style="list-style-type: none"> • Forensic WDR - reduces visible noise and artifacts • Lightfinder - minimizes motion blur, even in near darkness Not Included: Pendant Kit T94A01D - Part # 5502-431, mount
Axis Q6135-LE PTZ Network Camera 01959-004	2 MP (1920x1080), 32x optical zoom <ul style="list-style-type: none"> • Optimized IR illumination • Forensic WDR - reduces visible noise and artifacts • Lightfinder 2.0 - minimizes motion blur, even in near darkness Not Included: Pendant Kit T94A01D - Part # 5502-431, mount
Axis Q6355-LE PTZ Network Camera (no midspan) 02976-301	8 MP (1920x1080), 31x optical zoom <ul style="list-style-type: none"> • Optimized IR illumination • Forensic WDR - reduces visible noise and artifacts • Lightfinder 2.0 - minimizes motion blur, even in near darkness Not Included: Pendant Kit T94A01D - Part # 5502-431, mount
Axis Q6358-LE PTZ Network Camera (no midspan) 02977-301	8 MP (4K UHD), 31x optical zoom <ul style="list-style-type: none"> • Optimized IR illumination • Forensic WDR - reduces visible noise and artifacts • Lightfinder 2.0 - minimizes motion blur, even in near darkness Not Included: Pendant Kit T94A01D - Part # 5502-431, mount

AXIS CAMERA MOUNTS

AXIS T91B57 Pole Mount 100-410 mm 01470-001	Versatile and robust, high-quality adjustable pole mount for secure installation on poles ranging from 100–410 mm diameter
Axis T94A01D Pendant Kit 5502-431	Pendant kit for mounting on 1.5" NPS threaded brackets, ideal for suspended installations
